7 night Blue Lagoon - Yasawa Combo Packages in US\$

Yasawa Island Resort & Spa

Fiji's remote luxury retreat Yasawa Island Resort and Spa has teamed up with boutique operator Blue Lagoon Cruises to offer a complete immersion in paradise by land and sea.

The award-winning pair have combined a four-night stay in isolated luxury at Yasawa Island Resort and Spa with a three-night Blue Lagoon Cruise among the Yasawa and Mamanuca island chains, some of the most remote and unspoilt isles of Fiji.

The seven-night packages depart from the mainland port of Lautoka, sailing aboard the 56m MV Mystique Princess. With just 32 staterooms, the air-conditioned cruiser plots a leisurely course among the islands, spending most of its time at anchor in idyllic tropical settings.

On day four, guests board a speedboat for their transfer to Yasawa Island Resort and Spa where just 18 luxury bungalows are hidden among the palms on a stretch of pristine white beach. The resort's magnificent beachfront Baravi Spa stands just metres from the ocean's edge and offers indulgent therapies and treatments sourced from around the world.

Three packages are available and offer a saving of almost 20 per cent on usual prices
