

# THE BEST OF THE KIMBERLEY'S

## Bullo River Station & Faraway Bay, The Bush Camp

The Kimberley region in North Western Australia covers over 400,000 square kilometres of country and provides some of Australia's most spectacular landscapes; from the rugged ranges to the turquoise waters of the ocean, rich Aboriginal culture, working cattle stations and authentic Australian characters....a truly unique experience awaits you.

Combine two of the premier hosted stays in this region and experience the 'best of the Kimberley's.' Prolific wildlife, a cruise to the majestic King George Falls, fishing for the prized Barramundi, Aboriginal rock art galleries seen by very few, mustering cattle by helicopter, or simply relaxing and soaking up some of the most unique environment Australia has to offer. With private air charter transfers between each destination, this is the only way for discerning travellers to experience two of Australia's premier destinations.
