

## SKYDIVING IN QUEENSTOWN

### THINKING OF WHAT TO DO IN QUEENSTOWN?

#### SKYDIVING IS THE ULTIMATE ADVENTURE ACTIVITY

Queenstown is the birthplace of Tandem Skydiving in New Zealand, also known as the 'Adventure Capital of the World'. Queenstown in NZ's South Island is the premium place to 'Jump out of a perfectly good Aeroplane'! Our drop zone is located at the base of the famous Remarkables mountain range surrounded by a working sheep farm.

### THE SKYDIVE QUEENSTOWN EXPERIENCE

#### NZONE SKYDIVE CENTRE

Your Queenstown skydiving experience starts at our meeting point located right in the heart of Queenstown at the NZONE Skydive Centre, 35 Shotover Street. This is your check-in point, where following registration and a video briefing in our innovative cinema room, you can select your photo and video options. You will be transported to our drop zone just 20 minutes away on a private airstrip set amid a rural farmland background.

#### DROP ZONE

At our world-leading drop zone, you can see behind-the-scenes action taking place and learn the history of skydive in our Discovery Zone.

In the viewing area, you will be able to see other skydivers both in the sky and coming in to land. There are drinks and snacks available, toilets and a souvenir clothing and gifts store. We also have lockers to store your valuables while skydiving. Once you have landed, you will be able to view your skydive experience online using the free wi-fi available to you or from the on-site Internet Kiosks.

#### YOUR SKYDIVE

Our skydive host will assist you to gear up and you will be briefed by one of our Tandem Masters. Your flight to altitude will take you high above the Wakatipu basin, where you will have a birds eye view of our dramatic mountains and lakes. Jumping directly above our drop zone you will experience freefall of up to 60 seconds before your Tandem Master deploys the parachute and together you glide back to earth. The canopy ride takes approximately 5 minutes. **Please allow 3 hours for the entire experience.**
